

Business Mobile Banking eDeposit

FOR ANDROID DEVICES

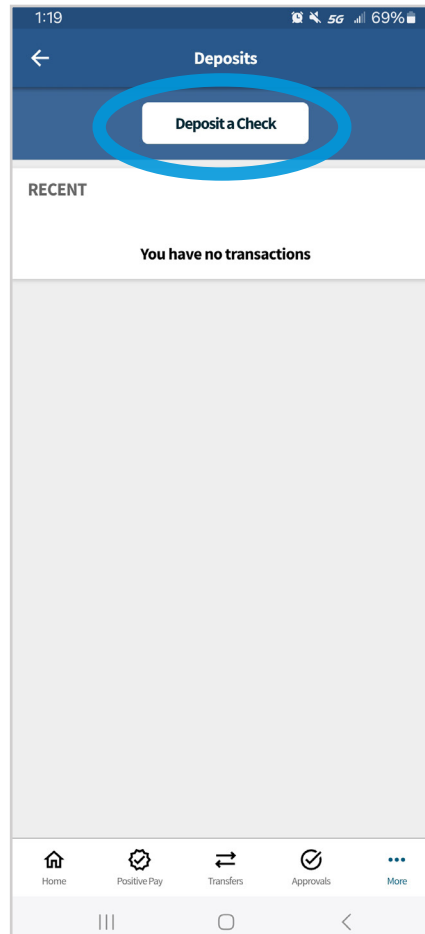

1

After launching and logging into the Business Mobile Banking App, select the **... More icon** from the bottom navigation bar and then select **Deposit a Check**.

2

Next, select the account where you'd like to deposit the check and then click Continue in the top right corner.

3

This screen provides **endorsement instructions**.

Be sure to include:

- ✓ *Country Club Bank eDeposit Only*
- ✓ *Date of the deposit*

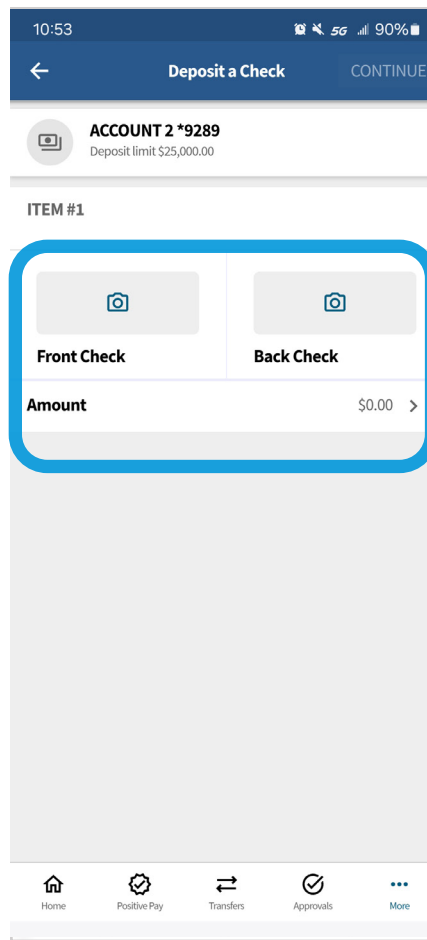

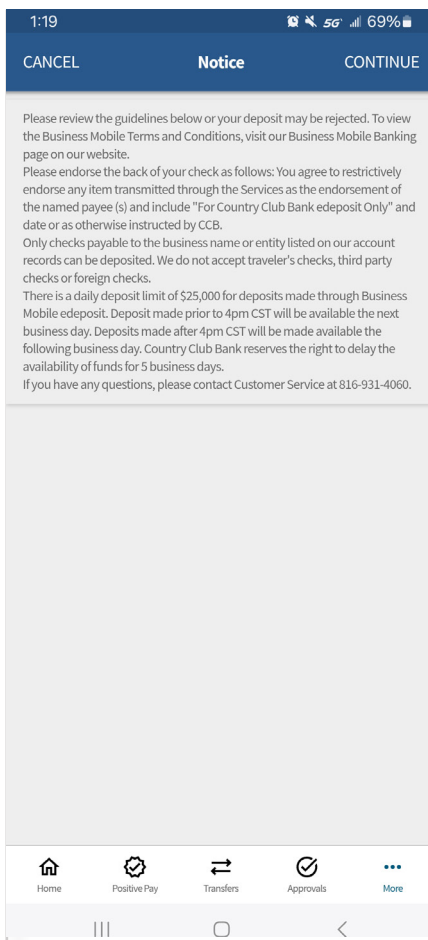

4

Next, select either **Front Check** or **Back Check** to take a picture of each side.

5

Position the check within the crop marks on your phone's screen, then click the circle button to take the picture.

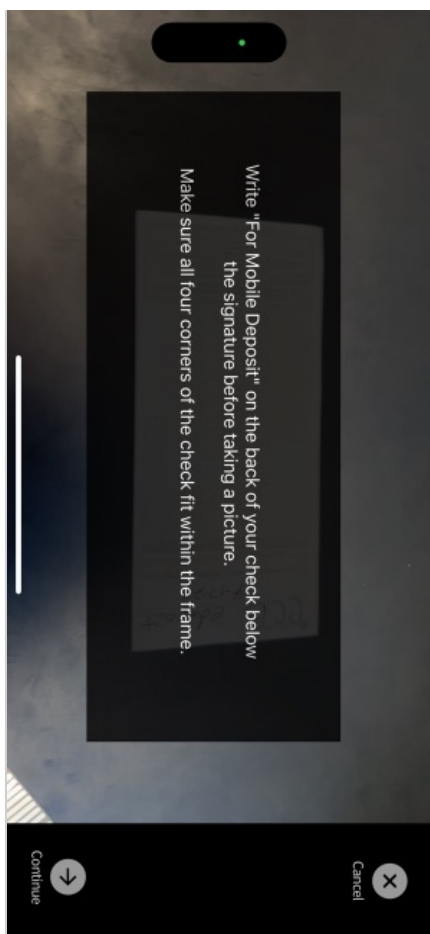

If the picture looks clear, select the **Green circle** button to accept.

6

Next, flip the check over, select the **Back option** and follow the same process to take an image of the back of the check.

Be sure to write "For Mobile Deposit" and endorse it with the payee name and date of deposit.

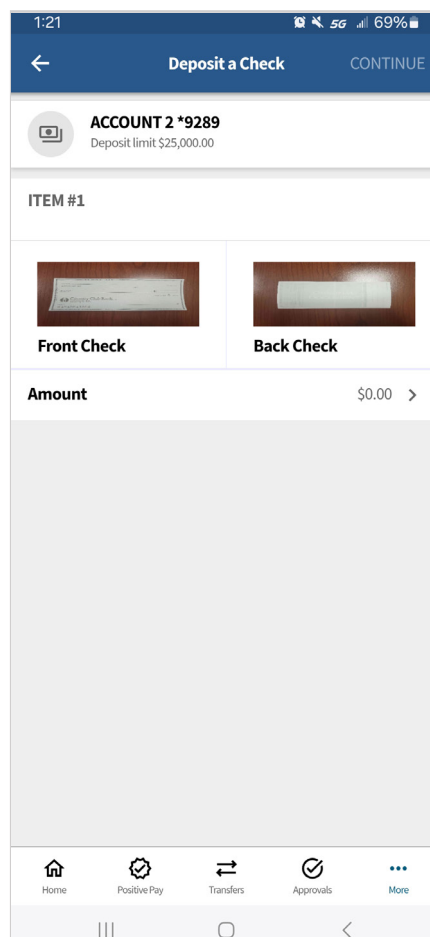

7

Once you have both sides of the check imaged, select **Deposit To** and choose the account to which you want to deposit.

Next, select the **Amount** and enter the amount of the check.

Then select **Email Receipt** to (if there's not already an address showing) and type in an email address.

8

Finally, click **Continue** and then **Approve** to finalize the deposit.
